REPORT OF PRINCIPAL AND SCHOOL  
IMPROVEMENT COUNCIL

The 2013-2014 school year marked the 90th year of existence of Chapin High School. The tradition of excellence in academics, arts, athletics and service continues. The success of Chapin High School can be attributed to the partnership between students, faculty, staff, administration, parents and community. This partnership has been strengthened through our Positive Behavior Intervention & Supports (PBIS) rally cry, “We aRe Chapin!” The “R” stands for being Ready to learn, Respectful to others, and Responsible for fulfilling the potential in ourselves.

These principles are taught school-wide and serve as the backbone for the high expectations that are set for each student. Chapin High students not only meet our expectations, they exceed them. For example, on the first attempt, 98.8% of students passed the ELA/Reading section of the High School Achievement Program (HSAP) and 96.3% passed the mathematics section. The senior class demonstrated it is college and career ready. The graduating class of 2014 consisted of 319 graduates who earned over \$37.4 million in scholarships. Over 85% of Chapin High School seniors take the SAT, yielding a composite score of 1550. In fact, the composite scores for the ACT and the SAT are above the district, state and national averages. Our SAT preparation program is a staple of our success. The Varsity SAT Team won 1st place in the district SAT competition, and three students were named as National Merit Finalists. We are proud of the academic excellence of Chapin High School. We have increased the number of students involved in the advanced placement program as well as the offerings for AP classes. Chapin High is proud to receive an “A” on the annual federal accountability report, a Palmetto Gold for academic achievement, and an absolute rating of 4.6 which is the highest rating of any open enrollment school in the state of South Carolina.

Chapin High School offers an array of extra and co-curricular programs to ensure students are provided a well-rounded educational experience. In athletics, we have won region championships and competed for state titles. The NJROTC program received outstanding ratings for their annual review. Our performing arts program has earned Superior ratings in chorus, orchestra and band. Our students have started service organizations, given to charities and provided countless hours of assistance to the community.

Continuous improvement is our goal. The Success Acquired in Learning (SAIL program) targets students in need of assistance and connects those students to enrichment services. The Academic Leadership Academy (ALA) challenges students to apply their learning to solve real-world problems. All students at Chapin High School are encouraged to pursue their passions in a variety of courses of study which are intended to prepare students for productive lives.

Principal: Dr. Akil E. Ross
